

Year R Weekly Newsletter

Friday 25th September 2026

We have had another great week in Year R! The sunshine allowed us to continue to explore outside and we continue to enjoy our dressing up and water areas in particular.

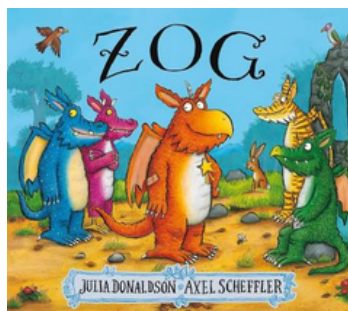

We know that pick up time is quite busy, so we ask that you are patient with us whilst we dismiss children safely - thank you!

See you on Monday,
Miss Cole

Building together!

Duplo and construction help us to develop our fine motor and creative skills. It is always a challenge to translate the ideas in our mind into a physical building. Working with a friend always helps!

Our story this week is "Zog." We have been talking about the skills Zog learns at school, and what we will learn!

Subject Spotlight: Maths

We learned a new Maths word this week: more! We enjoyed exploring with the blocks and finding out the answer to the question: Who has more?

This week in RE...

We heard more of the Creation story and talked about the wonderful gifts God created for us!

Dates for your diary:

Monday 28th September
2:30pm
Phonics Meeting in the
School Hall

Phonemes of the week!

This week we learned:

Can your child
tells you the
sound for each
grapheme?
