1. Attendance Principles

The Kent Catholic Schools' Partnership ("the Trust") applies the following Attendance Principles to ensure clarity, consistency and high expectations across all schools:

- *We expect 100% attendance for all our pupils, including those in the sixth form*
- *Attendance is everyone's responsibility – pupils, parents, school staff and the Trust*
- *Every day counts – learning is sequential and absence disrupts progress*
- *Only the school can authorise absence – providing a reason does not guarantee authorisation*
- *Early intervention prevents escalation – support begins as soon as attendance starts to fall*
- *High expectations apply to all pupils, including those with Special Education Needs and Disabilities (SEND)*
- *Support comes first, but sanctions will be used when necessary to protect a child's right to education*
- *Absence is a safeguarding concern – schools will act quickly when a child is missing in education*
- *Attendance decisions will be fair, consistent and aligned with statutory Department for Education (DfE) guidance.*

The Trust use a colour-coded attendance system to ensure consistency across all schools and to support early identification of pupils at risk of persistent absence:

Excellent	Above 99% - 2 days of absence or less or 4 sessions (am or pm) There is a direct correlation between excellent attendance and higher progress and achievement.
Good	97% - 99% - less than 5 days of absence or 10 sessions (am or pm) Fewer than 5 days missed across an academic year. Regular attendance fosters a sense of belonging and higher levels of pupil well-being.
Below expectation	95%-96.9% - 9 full of absence or 18 sessions (am or pm) Students with lower than 95% attendance tend to have a lower chance of making good social and academic progress.
Poor	90%-94.9% - 13-18 days of absence or 26-36 sessions (am or pm) Pupils with poor attendance have lower academic outcomes and find it hard to maintain friendships as they are not attending well.
Persistently Absent Major concern	Below 90% - more than 19 days of absence or 38 sessions (am or pm) The government classes pupils who have an attendance rate of below 90% as persistently absent. Pupils have missed more than 19 days or nearly 4 weeks of school. This is a major concern.

2. Statement of Intent

The Trust is committed to the continuous raising of achievement of all our pupils. The Trust expects all pupils to attend school every day. In line with national expectations, the Trust sets a clear expectation that pupils should not miss more than **five days** of school in any academic year - *"No more than 5 to ensure you thrive"*. Regular attendance is critical if our pupils are to be successful and benefit from the opportunities presented to them. We expect pupils to attend regularly, punctually and we actively promote 100% attendance for all our pupils, including those in the sixth form.

One of our basic principles is to celebrate success. Good attendance is fundamental to a successful and fulfilling school experience. We use a variety of weekly, termly and annual awards to promote 100% attendance and good punctuality.

The Trust Board of Directors, Headteacher and staff in partnership with parents / carers have a duty to promote full attendance at the school. Staff at the school must monitor the attendance of each individual pupil from a safeguarding perspective and it is the legal duty of parents / carers to ensure their child attends school daily.

The Trust will give a high priority to conveying to parents / carers and pupils the importance of regular and punctual attendance. We recognise that parents / carers have a vital role to play, and we will maintain strong home-school links and communication so that attendance can be addressed quickly and effectively.

Where barriers to attendance arise, we will work proactively with parents/carers and pupils to identify the underlying causes and remove those barriers at the earliest opportunity.

We will adopt a clearly focused approach aimed at returning the pupil to full attendance at all times.

We will apply this policy fairly and consistently, considering the individual needs of pupils and their families who have specific barriers to attendance, mindful of our obligations under the Equalities Act 2010 and the UN Convention on the Rights of the Child.

3. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- The [Equality Act 2010](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)

- [Mental health issues affecting a pupil's attendance: guidance for schools](#)
- [Ofsted's 2025 framework toolkit](#)

 - Providing the local authority with the details of pupils who fail to attend school regularly, or who have been marked with an unauthorised absence for a continuous period of 10 school days
 - Providing the local authority with the details of pupils who the school believes will miss 15 days consecutively or cumulatively because of sickness.

4.4 The designated senior leader responsible for attendance

The designated senior leader is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance

- Evaluating and monitoring expectations and processes
- Having oversight of patterns of absence, including repeated short-term illness, term-time holiday patterns, or repeated absence adjacent to weekends or holidays
- Ensuring first-day calling and escalation procedures are followed
- Having a strong grasp of absence data and oversight of absence data analysis

The designated senior leader responsible for attendance is Mrs Bryant and can be contacted via office@st-simons-ashford.kcsp.org.uk, 01233 623199.

4.5 The school attendance officer

The school attendance officer at each school is responsible for:

- Monitoring and analysing attendance data (see section 8)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the headteacher
- Working with education welfare officers to tackle persistent absence
- Advising the headteacher/attendance officer (authorised by the headteacher) when to issue fixed-penalty notices

The attendance officer is Mrs Keleher and can be contacted via office@st-simons-ashford.kcsp.org.uk, 01233 623199.

4.6 Class teachers/form tutors

All class teachers/form tutors are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office daily.

4.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Ensure their child attends every day and arrives on time
- Notify the school before the start of the school day if their child is absent, and provide medical evidence where requested

- Provide the school with that least 2 emergency contacts and keep these updated.
- Understand that only the school can authorise absence, and that providing a reason does not guarantee authorisation
- Ensure that, where possible, appointments for their child are made outside of the school day
- Seek support, where necessary, for maintaining good attendance, by contacting the class teacher, the school office or the attendance officer – Mrs Keleher, who can be contacted via office@st-simons-ashford.kcsp.org.uk, 01233 623199.

4.8 Pupils

Pupils are expected to:

- Attend school every day, on time

5. Recording attendance

5.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8:40am and ends at 3:15pm.

Pupils must arrive in school by 8:40am on each school day.

The register for the first session will be taken at 8:40am and will be kept open until 9:10am. The register for the second session will be taken at 1pm and will be kept open until 1:30pm.

5.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8:40am, or as soon as practicably possible, by email (office@st-simons-ashford.kcsp.org.uk) or phone (01233 623199).

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

The school may request medical evidence where:

- a pupil's attendance falls below 5 days
- an absence is longer than 5 days
- illness is cited frequently or in identifiable patterns (e.g., repeated Mondays/Fridays)
- there is a genuine concern about the authenticity of the illness

The school will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this.

5.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment and they remain under 5 days of absence for the academic year by contacting the office: office@st-simons-ashford.kcsp.org.uk, 01233 623199 and notifying the Headteacher and Attendance Officer.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

5.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- Reasons for lateness will be requested

5.5 Following up on unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may conduct a home visit or contact police (where deemed appropriate)
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving the local authority
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with the school may issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate

5.6 Reporting to parents

All Trust schools will report each pupil's attendance to parents at least three times per year (once per term). Reports will include attendance percentage, sessions missed, colour-coded thresholds and whether the pupil is at risk of persistent absence.

6. Authorised and unauthorised absence

6.1 Approval for term-time absence

Only the school can authorise an absence. Parents may request an absence, but the school will decide whether it is authorised. Providing a reason does not guarantee authorisation, and patterns of absence, frequency of absence or insufficient evidence may result in the absence being recorded as unauthorised.

The Headteacher (or their delegate) will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Headteacher (or their delegate) will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the 2024 school attendance regulations. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable

- Exceptional circumstances.

A leave of absence is granted at the Headteachers discretion, including the length of time the pupil is authorised to be absent for.

Exceptional circumstances

For clarity and consistency, the Trust defines “exceptional circumstances” as rare, significant, unavoidable events that are wholly outside the control of the family, this could include immediate family bereavement or critical illness. The following are **not** considered exceptional circumstances:

- Family holidays or travel
- Family reunions or celebrations
- Visiting relatives abroad
- Parent work commitments or rota patterns
- Overlapping travel dates or cheaper flights.

The Headteacher considers each application for term-time absence individually. Authorisation will only be granted where the circumstances meet the strict criteria above.

In order to ensure that the negative impact of leave of absence is minimised, applications for leave of absence will not be considered in the following periods or circumstances:

- During the first term of a new academic year
- In SATs week/s for all KS2 pupils and during SATs week/s for Year 2 pupils (dates will be published in advance)
- In Y10 and Y11
- Where attendance is below 97% (or 5 days absence) unless there are exceptional circumstances.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request by email or letter to the Headteacher evidence will be required to support any request for leave of absence.

6.2 Other reasons for authorised absence

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 5.2 and 5.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil’s parent(s) belong(s). Additional travel days will not be authorised
- Parent(s) travelling for occupational purposes – A pupil is a mobile child if their parent is travelling in the course of their trade or business and the pupil is travelling with them. In these circumstances a pupil will be considered a mobile child, provided they are of compulsory school age and have no fixed abode and whose parent is in a trade or business that requires them to travel from place to place
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

6.3 Absences from the school site (which are not classified as absences)

Other reasons the Trust may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as a lack of access arrangements, or because the school premises are closed.

6.4 Transport issues

Transport difficulties are not a valid reason for absence. Parents are responsible for ensuring their child arrives on time.

6.5 Weather/travel disruption

Absence due to weather or travel disruption will only be authorised where the school site is closed

6.6 Tackling unauthorised absence and the use of sanctions

Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same child, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, are not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period.

6.8 Off rolling after 20 days unauthorised absence

Where a pupil has 20 consecutive days or unauthorised absence, the school will make a referral to the Local Authority to begin the statutory process for removal from roll, in accordance with the Pupil Registration Regulations (2024).

7. Strategies for promoting attendance

All schools will use Trust-approved attendance messaging, including the strapline "No more than 5 to ensure you thrive", colour-coded attendance thresholds, and termly attendance reports.

Our school promotes good attendance through a range of rewards, celebrations, and support strategies. We recognise that regular attendance is essential for pupils' learning, achievement, and wellbeing.

Good attendance is celebrated in a variety of ways. Individual pupils may receive certificates, badges, prizes or recognition for excellent or improved attendance. Attendance figures are regularly shared during assemblies and classes or year groups with the highest attendance receive awards, trophies or special rewards. Attendance information is also displayed around the school to encourage a positive culture and to celebrate success.

The school monitors attendance closely and identifies pupils whose attendance is beginning to decline. Parents and carers are contacted at an early stage to discuss any concerns and to offer support where needed. This may include meetings with school staff, attendance reviews, mentoring, pastoral support or referrals to external services if barriers to attendance have been identified.

Where attendance concerns continue, the school and/or local authority may offer an Attendance Contract. This is a formal agreement between the parent, the pupil (where appropriate), and the school. The contract sets out agreed actions and targets to improve attendance, identifies any support that will be provided, and establishes a review period to monitor progress. Attendance contracts are typically used when attendance levels are causing concern but before more formal legal interventions are considered. Regular meetings are held to review attendance and to ensure that agreed actions are having a positive impact.

Through a combination of celebration, early intervention, support and partnership with families, the school aims to ensure that all pupils attend regularly and achieve their full potential.

8. Supporting pupils who are absent or returning to school

8.1 Pupils absent due to complex barriers to attendance

Some pupils face more complex barriers to attendance. Their right to an education is the same as any other pupil and therefore the attendance ambition for these pupils is the same as it is for any other pupil, but additional support may be needed. Schools will work with parents/carers and pupils to:

- Understand the individual needs of the pupil and family
- Work in partnership with the pupil and family to put in-school support in place
- Set appropriate and measurable targets
- Work with the local authority and other agencies where appropriate to put external support in place (where needed and available)
- Regularly review and update the support approach to make sure it continues to meet individual needs.

8.2 Pupils absent due to mental or physical ill health

Where mental or physical health is cited as a reason for absence, the school will work with the family to understand the underlying needs and agree a support plan. Absence will not automatically be authorised unless supported by evidence or professional advice.

Where a pupil has an education health and care plan (EHCP) and their attendance falls, or the school becomes aware of barriers to attendance that are related to the pupil's needs, the school will inform the local authority.

8.3 Pupils absent due to other barriers to attendance including SEND

Pupils with SEND are expected to attend regularly. Where attendance barriers relate to a pupil's needs, the school will work with parents to make reasonable adjustments and/or interventions that are timely, appropriate, well-chosen and targeted. Lower expectations for attendance will not be applied unless formally agreed as part of an EHCP review.

Where a pupil has an EHCP and their attendance falls, the school will inform the local authority.

8.4 Pupils returning to school after a lengthy or unavoidable period of absence

All pupil absence will be followed up as soon as possible. The action taken, and the responses received, will always be recorded.

Any pupil returning after 10 or more days of absence will have a reintegration plan, which could include pastoral check-ins, curriculum catch-up support and review of barriers to attendance. Part-time timetables will only be used as a short-term intervention, reviewed fortnightly and reported to the local authority.

8.5 Attendance as a safeguarding duty

Absence from school can be a safeguarding concern. Where a pupil's whereabouts cannot be established, the school will follow its safeguarding procedures, which may include home visits, contacting external agencies, or requesting a police welfare check.

8.6 Part-time timetables

Part-time timetables will only be used as a short-term intervention, agreed with parents, reviewed fortnightly, and reported to the local authority as required.

Where a Part-time timetable has been put in place, expectations of attendance remain high. In the event that attendance is not good, the school may withdraw this provision.

8.7 Prolonged absence for children in the Early Years Foundation Stage (EYFS)

In cases of prolonged absence, or when a child is absent without notification, we will attempt to contact the child's parents and alternative emergency contacts.

When deciding whether a child's absence should be considered prolonged, we will consider the:

- Patterns and trends in the child's absences and their personal circumstances
- Vulnerability of the child and their parents, as well as the circumstances of their home life

We will also implement our safeguarding procedures (see our child protection/safeguarding policy on the school website) and refer any concerns to local children's social care and/or request a police welfare check.

9. Attendance Monitoring

Every Trust school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level. The Trust Board will monitor attendance and absence data on a regular basis.

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school (and Trust Executive at Trust level) will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the local governance committee and Trust Board.

9.1 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends. Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Identify attendance patterns across the trust to identify common issues and barriers and share effective practice between schools

9.2 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis. These patterns may result in absences being recorded as unauthorised unless supported by medical evidence.
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 9.4 below)
- Provide regular attendance reports to class teachers/form tutors, to facilitate discussions with pupils and families, and to the governance committee and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

9.3 Early Intervention Pathway

All Trust schools must follow the early intervention pathway below when a pupil's attendance begins to fall:

- Stage 1 –Early Support where attendance is below expectation: 95%-96.9% - 9 full of absence or 18 sessions (am or pm)
 - Attendance information shared with parents
 - Early intervention strategies deployed

- Medical evidence may be required for illness
- Stage 2 – Targeted support for poor attendance 90%-94.9% - 13-18 days of absence or 26-36 sessions (am or pm)
 - Phone call home

9.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the Trust's strategy for improving attendance.

The school will:

- Produce a strategy to reduce persistent absence, attached at Appendix 3.
- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant

- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 6.6 above)
- Follow the procedures as set out at 6.6.

Appendix 2 – Religious Observance Examples

Religious Observance Examples

Example 1

If a family want to travel to visit other family members to celebrate Eid then the two days for the Eid festival would be approved and coded R, but the Headteacher does not need to approve any travel or holiday time with family, nor do they have to approve absence as a result of fasting. They would instead consider the child and the request and use their discretionary powers to consider whether to approve any further days, other than the two days for religious observance.

Example 2

A Jewish Orthodox family request to remove their child from school to attend a Jewish conference in America and request to keep their child at home during the last week of term so they can avoid participating in any Christian Christmas celebration. The school should consider the request to attend the Jewish conference as they would any other leave of absence request, as although the event itself is religious the conference is not a day of religious observance set aside within the Jewish Orthodox calendar. In terms of the child being removed from the school to avoid participating in any Christmas festival, parents/carers do have a right to withdraw the child from a celebration or an act of worship not of their religion, so it would be important for the school to discuss with the parents/carers where there are activities that their child is withdrawn from and the school should provide an alternative activity. Where there are usual learning activities and classes going on up to the end of term, then parents/carers do not have the right to withdraw them and any absence would be unauthorised, and a Penalty Notice would be considered.

Appendix 3 - Strategy to reduce persistent and severe absence 2026 – 2027

Purpose

The purpose of this strategy is to ensure that the school's culture of high attendance, which is underpinned by clear expectations, procedures, and responsibilities, is effective in reducing both persistent absence and severe absence.

- **Persistent absence is when a pupil's overall absence equates to 10 per cent or more of their possible sessions (i.e., attendance falls below 90%).**
- **Severe absence is when a pupil's overall absence equates to 50 per cent or more of their possible sessions (i.e., attendance falls below 50%).**

It also outlines the school's strategy for using data to target attendance improvement efforts to the pupils or pupil cohorts who need it most.

Rationale

- This strategy is intended to support the overall implementation of the **KCSP Strategic Plan 2022 – 2027, including the Well-being Plan and the Framework for Continuous School Improvement**. It is essential that all leaders, staff, pupils and parents understand and support the school's expectations around the need for pupils to attend school regularly so that they get the most out of their school experience, including their attainment, wellbeing, and wider life chances. Data and research show that the pupils with the highest attainment at the end of key stage 2 (age 11) and key stage 4 (age 16) have higher rates of attendance over the key stage compared to those with the lowest attainment.

KPI 1: To reduce overall persistent absence at KCSP Trust schools so that it is no greater than the national average percentage, including for disadvantaged pupils and those with SEND.

KPI 2: To reduce overall severe absence at KCSP Trust schools so that it is no greater than the national average percentage, including for disadvantaged pupils and those with SEND.

- The monitoring of impact will be measured through school leaders’ own self-evaluation including analysis of schools’ attendance data, benchmarking against Trust schools, other schools locally and regionally and national data, and school-based visits by the School Improvement Team. The outcome of any Ofsted inspections will also be taken into consideration.

How the school will use data to target attendance improvement efforts to the pupils/pupil cohorts who need it most
[INSERT DETAILS HERE AS TO HOW YOU WILL USE DATA TO MONITOR AND ANALYSE ABSENCE RATES FOR INDIVIDUAL PUPILS AND PUPIL COHORTS IDENTIFIED AS NEEDING SUPPORT TO IMPROVE ATTENDANCE. THIS WILL INCLUDE, AS A MINIMUM, ALL THOSE WHO ARE PERSISTENTLY ABSENT AND SEVERELY ABSENT]

Key Performance Indicators

KPI 1	Implementation	Milestones	Expected Impact
➤ : To reduce overall persistent absence so that it is no greater than the national average percentage, including for disadvantaged pupils and those with SEND	Analyse attendance data weekly to identify pupils who are persistently absent or at risk of becoming persistently absent. ➤	Weekly attendance tracking meetings and half-termly attendance reports. ➤	Early identification enables timely intervention and prevents attendance from deteriorating. ➤

➤	➤ Prioritise attendance monitoring for disadvantaged pupils and pupils with SEND. ➤	➤ Attendance lists and targeted case studies reviewed at least half-termly. ➤	➤ Reduction in attendance gaps between vulnerable groups and their peers. ➤
➤	➤ Establish a graduated attendance support pathway, including phone calls, meetings, attendance plans, and targeted interventions. ➤	➤ Clear attendance intervention thresholds implemented across the school. ➤	➤ Consistent and timely support improves attendance outcomes. ➤
➤	➤ Introduce personalised attendance improvement plans for pupils whose attendance falls below agreed thresholds. ➤	➤ Individual attendance plans reviewed every 4-6 weeks. ➤	➤ Pupils and families receive tailored support to address specific barriers to attendance. ➤
➤	➤ Strengthen communication with parents through attendance letters, meetings, and regular updates. ➤	➤ Attendance concerns communicated within agreed timescales. ➤	➤ Improved parental engagement and shared responsibility for attendance. ➤
➤	➤ Provide pastoral, wellbeing, and mental health support for pupils experiencing attendance difficulties. ➤	➤ Vulnerable pupils identified and supported through targeted interventions. ➤	➤ Reduced emotionally based school avoidance and increased levels of attendance. ➤

KPI 2: To reduce overall severe absence so that it is no greater than the national average percentage, including for disadvantaged pupils and those with SEND	Implementation	Milestones	Expected Impact
--	-----------------------	-------------------	------------------------

➤	➤ Identify and track all pupils who are severely absent (below 50% attendance) through weekly attendance monitoring and data analysis. ➤	➤ Accurate register of severely absent pupils established and reviewed weekly. ➤	➤ Early identification enables timely intervention and prevents further decline in attendance. ➤
➤	➤ Implement personalised attendance support plans for all severely absent pupils, involving parents/carers, pastoral staff, SENDCO and external agencies where appropriate. ➤	➤ 100% of severely absent pupils have an attendance support plan in place and reviewed regularly. ➤	➤ Improved engagement with families and targeted support to address individual barriers to attendance. ➤
➤	➤ Provide tailored interventions for disadvantaged pupils and pupils with SEND, including wellbeing support, reasonable adjustments and referrals to specialist services. ➤	➤ Attendance gaps for disadvantaged pupils and pupils with SEND begin to narrow at each half-term review. ➤	➤ Improved attendance and reduced barriers for vulnerable pupil groups. ➤
➤	➤ Work collaboratively with external agencies, including the Local Authority, Early Help, health professionals and safeguarding teams where persistent barriers exist. ➤	➤ Increased engagement from identified families and evidence of multi-agency support for high-risk pupils. ➤	➤ Improved attendance outcomes for pupils with complex needs and reduced risk of long-term absence. ➤

➤	➤ Report attendance trends and intervention outcomes to senior leaders and governors to ensure accountability and resource allocation. ➤	➤ Termly reports demonstrate progress towards severe absence targets and national benchmarks. ➤	➤ Whole-school focus on reducing severe absence and ensuring support is targeted effectively. ➤
