

Year 3 Homework Grid – Term 1

Due in every Wednesday • Explore, create, and discover!

REMEMBER	UNDERSTAND	APPLY	ANALYSE	CREATE	EVALUATE
 Word Hunt Find 5 exciting adjectives in your reading book. Write them down and draw a picture to show what each word looks like in action.	 Plant Anatomy Draw a detailed diagram of a plant from your garden or park. Label its main parts: roots, stem, leaves, and flower.	 Place Value Clues Pick a secret 3-digit number. Write 3 clues using place value (100s, 10s, 1s) for a family member to crack!	 Modern vs. Stone Age Look around your bedroom. List 3 items you use every day and explain how a Stone Age child survived without them.	 Cave Artwork Use brown/red chalk, pastels, or pencils on crumpled paper to create an authentic cave painting of a mammoth or deer.	 Reading Review Rate your favourite book read so far this term out of 5 stars. Write 2 reasons why you would recommend it to a classmate.
 Times Table Dash Practice your 3x, 4x, or 8x tables. Challenge yourself to a 3-minute speed run and record your score!	 Sun vs. Dark Test Observe a plant in the light and one in a dark cupboard. Write a short explanation of what plants need to grow healthy.	 Wilderness Log Write a 5-sentence log as a Stone Age hunter lost in a forest. Use expanded noun phrases (e.g., <i>shadowy, towering trees</i>).	 Maths Quizmaster Create a 3-question story challenge about Stone Age trading (using 3-digit addition/subtraction). Include an answer key!	 Model Architect Build a 3D model of a human skeleton using dry pasta/straws OR a mini Stone Age shelter using sticks and twigs.	 Term Reflection Reflect on your learning in Term 1. What was your favourite topic so far and why? What task did you find most challenging?

 **How it works:** Please select and complete **one activity per week** from anywhere on the grid. By the end of the 6-week term, aim to have completed 6 activities in total!
